

A Mind Full of Joy

Verse 1

With all that is good
Fill your mind, fill your head
Think of it all of the time

Verse 2

Take every care
Your worries, anxieties
Send it to God, leave it there

Verse 3

Let your heart smile
Your soul can feel sunny cos
He's got your back all the time

Bridge

If it's right – Keep it in sight
Any regret – You gotta forget
If it's kind – Keep it in mind
If you think mean, get a deep clean
If you feel hate, there's no time to wait
Don't let it stay, throw it away
Any negative thought, take it to nought
Make it routine, a mind sharp and clean

Instrumental

Chorus

Have a mind – full of joy
And a life – full of joy
Wave goodbye to all your stress
Don't settle for anything less
Just a mind that's full of joy

Verse 4

Don't follow this world
Set your heart up above
Then feel His peace flowing in

Instrumental

Chorus

Have a mind – full of joy
And a life – full of joy
Wave goodbye to all your stress
Don't settle for anything less
Just a mind that's full of joy

Chorus

(Instrumental) – full of joy
(Instrumental) – full of joy
Wave goodbye to all your stress
Don't settle for anything less
Just a mind that's full of joy
Just a mind that's full of joy
