

# **An Audience With The King**

## **Verse 1**

There's an addiction, a good addiction, I crave God, That's what I do  
I long for more of, His awesome presence, He breaths life, into my soul

## **Verse 2**

I have a feeling, what real hell is, it's just me, without my God  
But He is waiting, for me to listen, He desires, to speak with me

## **Pre-Chorus**

But I can't believe, This offer to me  
An audience with the King

## **Chorus**

My Cry is Yes, It's Yes, A million times Yes, Amen  
My Cry is Yes, it's Yes, A million times Yes, Amen

## **Verse 3**

He waits as I wake, to hear my first thoughts, Longing to, Communicate  
Yes, He enjoys me, as I enjoy Him, My desire, to know Him more

## **Pre-Chorus**

And How He loves me, I cannot grasp  
An audience with the King
