

Don't Give Up

Verse 1

All your hopes and dreams, they seem so far away
And the prayers you've prayed, before your eyes they fade
This crazy world
It says right is wrong
And wrong is right
Where is the light?

Chorus

Don't don't don't, don't give up
Don't don't don't, don't give up
If God is for you who can be against you
He will give you faith to overcome the world
Don't don't don't, don't give up
Don't don't don't, don't give up
If God is for you who can be against you
He will give you victory

Interlude

Verse 2

Don't you be afraid, God knows your hearts desire
He's got wisdom that's profound, with astounding power
Just trust in Him
He knows what's best for you
His plans are masterful
And His word is true

Musical Chorus

Don't give up, Don't give up
Don't give up, Don't give up
Don't give up, Don't give up
Don't give up - Don't give up, He will give you victory

Interlude

Chorus

Don't don't don't, don't give up
Don't don't don't, don't give up
If God is for you who can be against you
He will give you faith to overcome the world

Don't don't don't, don't give up
If God is for you who can be against you
He will give you victory
