

Heaven Will Be On Fire

Verse 1

Do you know where you are going?
Do you know who will be there?
Lift your eyes above
There's a place that's full of love

Chorus

Heaven
Lift up your eyes, Lift up your eyes, and see

Verse 2

It's a place where there's no suffering
It's a place where there's no pain
No more grief and stress
Only joy and happiness

Chorus

Heaven	<i>(Backing)</i>
Lift up your eyes,	(every tear He'll wipe away)
Lift up your eyes,	(no more mourning, no more death)
Lift up your eyes,	(face to face with love divine)
Lift up your eyes,	(paradise, no age, no time)
Lift up your eyes	

Bridge

God will live with His people, in a breath-taking city, in paradise that He's prepared
With celestial bodies, with no anxious feelings, and minds that are sharp and clear
There'll be angels revering, crowds that are cheering, joy that will never end
Dancing and singing, praise will be ringing, Heaven will be on fire – **it's on fire**

Musical Interlude

Chorus

	<i>(Backing)</i>
Lift up your eyes,	(every tear He'll wipe away)
Lift up your eyes,	(no more mourning, no more death)
Lift up your eyes,	(face to face with love divine)
Lift up your eyes,	(paradise, no age, no time)
Lift up your eyes.
