

The Gift

Verse 1

There's a hope in the air, there's news that I'm told
A gift that is prized, as precious as life
More expensive than gold, it cannot be bought
A gift free to all, so please don't ignore

Pre-Chorus

You can't earn it, you can't fake it
You can't make it, or create it
It's eternal, so amazing
It's the life that, you are craving

Verse 3

Some have tried to obtain, through earthly pursuits
But this gift's truest form, comes from only one source
It's a gift wrapped in peace, from God up above
Born out of pain, but given with joy

Pre-Chorus

It's been given, so believe it,
With thanksgiving, you can take it
It's eternal, so amazing
It's the life that, you are craving

Verse 2

It is sent from the best, the kindest of all
It will cause you to live, and not just exist
It's a gift sent with love, from God up above
Paid for in full, with the life of His Son

Chorus

True Peace, True Joy
True Love, A gift so pure
True Peace, True Joy
True Love, The greatest Gift of All

Chorus

True Peace, True Joy
True Love, A gift so pure
True Peace, True Joy
True Love, The greatest Gift of All

Chorus

True Peace, True Joy
True Love, A gift so pure
True Peace, True Joy
True Love, The greatest Gift of All
