

## **This Heart of Love**

### **Verse 1**

So misunderstood, He was reviled, but still chose love  
Fame or fortune was not his aim , He gave His life, not to make a name  
He did it all for love

### **Verse 2**

Love wrote the book, a selfless life, just take a look  
He'd go hungry to feed one soul, others' problems became His own  
He'd go the extra mile

### **Chorus 1**

He had a heart of love; He gave His all for love  
From deep within, love poured from him, it overflowed, it never slowed  
Love filled the air, for all to share  
This heart of love, (amazing love x2)

### **Verse 3**

So compassionate, no prejudice, just heart to heart  
No distraction would veer his course, love was His driving force  
He paid the highest price

### **Interlude**

Love still fills the air, it just takes a prayer

### **Chorus 2**

He has a heart of love; He gave His all for love  
From deep within, love pours from him, it overflows, it never slows  
Love fills the air, for all to share

### **Ending**

He has a heart of love; He gave His all for love  
From deep within, love pours from him, it overflows, it never slows  
Love fills the air, for all to share  
This heart of love, (amazing love x3)
